

Bubble Scrubble

Bubble Scrubble

EASY CLEANING WITH ANTIBACTERIAL WIPES

Bubble Scrubble is a game focused on encouraging healthy hygiene rituals among young children, using the power of an activity beloved by kids everywhere —popping bubbles! Using the principles of gamified learning this exhibit involves teaching children what it takes to get their hands clean.

Combined with child-friendly, catchy jingles and visuals, this fun, germ-fighting, bubble-popping 20-seconds game helps build the foundation for a life-long healthy handwashing habit.

This can be a standalone kiosk or part of a larger exhibit.
